MAJOR PEIXOTO WRITES ANDREWS

AMATEUR ATHLETIC UNION IS BOOSTED

J. E. Sullivan Favors Establishment of Separate Union for Hawaii—Meeting Will Be Called in Near Future.

Major Peixoto has written Lorrin Andrews in regard to the formation of a branch of the Amateur Athletic Union in Honolulu. The Major's letter is printed below and speaks for itself. The idea that Hawaii should form an amateur association of its own is worthy of deep consideration: "San Francisco, March 11, 1910. Mr. Lorrin Andrews, Honolulu, H. I. Dear Mr. Andrews:—I very deeply regret that during my stay in your beautiful city my time was so much taken up with performances and athletic games that I could not find an opportunity to meet you. I regret this very much as I wished to talk over a matter which, I know, has been presented to you by Dr. Hand of the Y. M. C. A. and which I do hope you will be able to work up with love and zest for the cause in which we are all deeply interested, and have been so successful in carrying out in the California territory.

The matter of the condition of athletic affairs in the Hawaiian Islands has been the subject of a good deal of talk in Amateur Athletic Union circles and as the Hawaiian Islands belong to our territory—the Pacific Athletic Association's territory—I, of course, am responsible to a certain extent for the progress and uplifting and love of amateur sport in this community. I believe, from what I saw, that the community is deeply in earnest in athletics and that any effort to purify and supervise the work of young men would be welcome. Of course, it is impossible to discuss the baseball side of Honolulu life, as this does not in any way come under the jurisdiction of amateur athletics. We would just discuss the matter of basketball, track, swimming and other forms of athletics which are under the jurisdiction of amateur bodies. My idea in the matter is that a commission should be appointed, consisting of three to five gentlemen, who will be known as delegates-at-large and who will have the regulation of amateur sport in the Islands. Every effort should be made to have all the institutions in the Islands members of this Hawaiian Board of Control. If Kamehameha College desires to be a member of the board they will be entitled to appoint a delegate to be a member of this body. That is the way our Pacific Athletic Association is made up. Five delegates-at-large, appointed by the president, and one delegate from every member of the athletic association. We have thirty-eight institutions that are members of our board, each having a delegate. I believe that with a little work you could easily find twelve organizations in the Hawaiian Islands who would come in and belong to the governing amateur athletic body. There is a due of \$7.50 for membership in the association, which is paid by the governing body of the organization desiring to join.

Mr. Jas. E. Sullivan, the former president of the Amateur Athletic Union, is very much in favor of a separate athletic organization for the Hawaiian Islands. The distance from San Francisco to the Islands being so great, I think it would be splendid if, by hard work, you could build up a Honolulu branch of the Amateur Athletic Union and have independent supervision over athletics. I believe that is the great end you must have in mind. Two years ago, I organized the Southern California board of directors and since that time they have so altered their athletic conditions that last year the National body gave them a separate organization. We were very glad to have them get this as it is very hard to work together at such a long distance. Dr. Hand spoke especially to me of your ability as an organizer and I believe, if you get interested in this fine movement that you will be delighted to be able to make so much pleasure and so much better conditions among the young men in the Islands.

We have, through our association introduced athletics in all the public schools of the city, and have carried on a campaign among the Catholic colleges and other organizations that in years gone by have been absolutely lacking in knowledge of all the laws regarding amateur athletics.

Hoping that you will accept the position and that you will call a meeting soon, I am, very sincerely,
SIDNEY S. PEIXOTO.

DOTS AND DASHES.

All is going on well for the Haleiwa Marathon race, and the men who are to take part in it are in active training for the event. Tomorrow morning at 7:30 o'clock, Nigel Jackson will start from the Bulletin office and run to Haleiwa in an attempt to put up some new figures for the distance.

E. O. Hall & Sons have donated a silver cup for the bicycle race, and the fortunate winner will be very pleased with himself when he crosses the line at Haleiwa.

Joe Forrest, who is somewhat of a Marathon runner, intends starting in the race of April 3 and he will make the pace hot for some of the runners.
